Complaints Handling Procedure

Complaints Handling Procedure

We are committed to providing excellent customer service and are sorry if we have not met your expectations.

If you are a consumer and wish to make a complaint, you may do so through our online complaint form <https://www.financeireland.ie/complaints>, in writing or by phone using the contact details provided below.

We take all complaints seriously and if we cannot deal with your complaint within five working days, we will send you a letter letting you know that we have got your complaint. We will also tell you the name of the person dealing with your complaint.

If you sent your complaint through our online form on our website, we will send an acknowledgement straight away to let you know we have received it.

We will provide you with updates every 20 working days until we have completed our investigation.

We will aim to resolve your complaint within 40 working days. If your complaint is not resolved within 40 working days, we'll explain why and tell you when we expect to give you a final response.

Once we have completed our investigation, we will send you a final response letter within five working days telling you the outcome of your complaint.

If after 40 working days we have been unable to resolve your complaint or you are unhappy with our response, you may be entitled to refer the matter to the Financial Services and Pensions Ombudsman.
